PRIVACY POLICY

We are committed to maintaining the privacy of personal information that you provide to us when using our services and website. This Privacy Policy is effective March 1, 2017 and will remain so until updated on our website.

Privacy Policy Promise

While information is the cornerstone of our ability to provide superior service, our most important asset is our clients' trust. Keeping client information secure and using it only as our clients would want us to, is a top priority for us. To that end, we promise each customer that:

- We will safeguard, according to strict standards of security and confidentiality, any information our customers share with us.
- We will limit the collection and use of customer information to the minimum we require to deliver superior service to our customers, which includes advising our customers about our products, services and other opportunities, and to administer our business.
- We will permit only authorized employees, who are trained in the proper handling of customer information, to have access to that information. Employees who violate our Privacy Promise will be subject to our normal disciplinary process.
- We will not reveal customer information to any external organization unless we have previously informed the customer in disclosures or agreements, unless we are required by law to do so.
- We will always maintain control over the confidentiality of our customer information, and we will never share your information with another company, unless requested to do so by the customer. For example, for use in the purchase of airline tickets or travel insurance, as requested by the customer. In those cases, this Privacy Policy does not apply to the other company's use of customer information.
- We will attempt to keep customer files complete, up-to-date, and accurate. We will tell our customers how and where to conveniently access their information (except when we're prohibited by law) and how to notify us about errors, which we will promptly correct.
